# O Come, O Come, Emmanuel

## Let Advent be Advent!

The Christmas decorations have long been up in the shops. The peculiar mix of Christmas symbols – mangers, stars, Santas, reindeers, snow, the colours of red and green, decorated trees and lights (and singalong performances of *Love Actually*) – are all in place. The very act of such symbolism creates expectation and sense of anticipation. But, of course, Christmas does not come into season properly until 25 December. We begin December in Advent and we should let Advent be Advent before we observe a premature Christmas: one might say our cultural practice is often of such a nature that the infant Jesus might well have needed to be placed into neo-natal intensive care unit.

The Advent season is not simply an extension of Christmas. The two are closely related but Advent is a time when we reflect on Christ's first coming (as an infant) and how we prepare for his second coming into our lives now and at the end of time. It is as such a time of hope and all those other great themes of the Advent candles – love, peace, justice. But these themes are not yet fulfilled. The Advent season carries also a tone of lament which expresses what is not yet.

One contemporary Advent song is by **The Brilliance, 'Hope'**. The lyrics express how 'We will find our hope (peace) in You'. <https://www.youtube.com/watch?v=ULyroZQPJuk>

The most well-known and performed Advent carol is 'O come, O come, Emmanuel'. It reaches well back into the Christian past – back to the monastic life in the 8<sup>th</sup> and 9<sup>th</sup> centuries. Its lyrics were originally in Latin. It was sung in monasteries 7 days before Christmas Eve in an antiphonal way: one set of views with a response from a second set. It was translated into English in 1851. It is particularly apt for this year in the lectionary cycle: Matthew is the only gospel that refers to Jesus as Emmanuel.

# Christmas

Our Christmas worship this year features the Matthew account. It is rather different from Luke's version. You might like to do a quick check and see how many of the following are in Matthew's account – shepherds? a census? the journey to Bethlehem? The answer of course is none!

The focus of Matthew's Christmas account is on the dreams of Joseph and the naming of Jesus – and, here is where the link is made back to Advent. In Matthew there are two names – Jesus, (he will save his people from their sins) and Emmanuel, (God with us). In Luke the birth is presented in a way in which the infant Jesus is to be a light to the Gentiles and the saviour (of the world). In Matthew the Christmas story, through this naming, sets the scene for a story which is designed to show how, in Christ, God is with us. And, so at its beginning, we have the name Emmanuel (God is with us) and at its end the risen Christ declares 'I am with you to the close of the age'.

That little word 'with' is so important in Matthew. In this Advent season, as week to make ready for Christmas, why not reflect on how God is with us, in Christ, in all the ups and downs of life. The Advent carol 'O come , O come Emmanuel' is a celebration of the one who comes to be with us.

## Christmas in Song:

Ever since that first manger scene created by Francis of Assisi (1223) Christmas has been associated with more joyful music.

## Australia's First Christmas

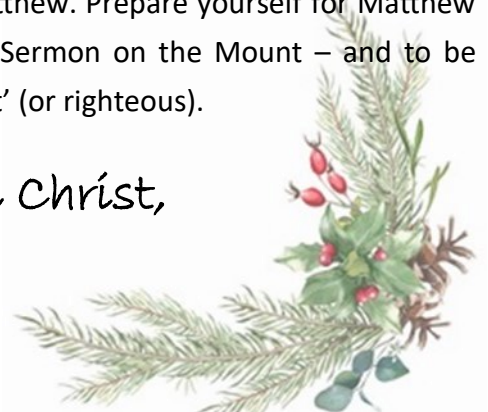

According to historical records the first Christmas in Australia was celebrated in December of 1788, almost one full year after their arrival at Sydney Cove. Reverend Johnson conducted services for Governor Arthur Phillips and his officers before they enjoyed Christmas supper. Unfortunately for the convicts they only had their daily rations of bread and water. But the prison guards did lessen the sentence for one unlucky fellow who had stolen a bag of flour named Michael Dennison. He only got 150 lashings by the whip instead of the usual 200.

## And into the new year 'with' Matthew

In the new year we will explore what it means for Christ to be 'with' us through the distinctive themes of Matthew. Prepare yourself for Matthew 25:31-46, the Sermon on the Mount – and to be 'wise' and 'just' (or righteous).

Yours in Christ,

Clive

**You are invited to a Service of  
*Remembrance*  
and  
*Thanksgiving*  
Monday 12th December  
@ 7.30pm**

A service specifically designed for all those who experience a sense of loss at Christmas, especially those for whom this is the first Christmas without a loved one.

During the service we intend to read out the names of people we have known and loved but see no longer, and whose absence is particularly felt at Christmas. People will be invited to light a candle in memory of their loved one after the names are read out. Please contact us with any name(s) you would like included.

The names may be phoned or emailed through to the church prior to 12th December.

We also invite you to bring a card, item or memento to place on the Tree of Remembrance. This tree has been supplied by the Baulkham Hills Council and after the service the tree will be planted, together with the messages etc., somewhere in the community.

Please contact us if you would like further information, and know that we are thinking of you at this time of year.

**"Raise the Roof"**

As a church family, we need to find \$1670 per month to repay the loan for our much needed new roof. This means that if 42 people give an extra \$10 a week (specifically for the roof), we will meet this expense.

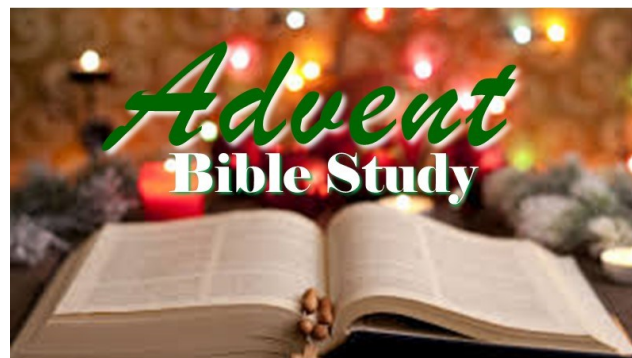

Money can be donated via:

- Push Pay, using the category for the roof
- Direct debit, with the deposit marked as 'roof' or 'for the roof'
- In a separate envelope marked 'roof' with your regular envelope offering

Also, we would like to send our thanks and appreciation to Daniel and his team for all of their hard work with the very successful Trivia Night. They raised over \$2000. It was such a great night and it was so good to see so many happy people in the hall after several years of covid shutdowns.

Best wishes

Dom Schuster and Alastair Burn

## Advent Studies for this year

The coming Season of Advent in the Christian calendar commences on Sunday 27<sup>th</sup> November. We traverse from a gospel year in Luke into a year featuring Matthew.

This means that we move from a year featuring gentiles and the needy to a focus on Jewish people, the chosen people of God as viewed by Matthew.

We will be engaged in Three studies this advent, at weekly intervals.

The first will be led by Clive Pearson who will provide us with much food for thought. He will draw comparisons between the Advent story of Christmas as presented by both Matthew and Luke and provide some clues about what will follow in Matthew as we explore this Gospel in 2023.

Drawing on the information provided by Clive, the following two weeks of the study will be led by Michael Strong and will first involve reflections on the events leading up to the birth of Jesus. The second will consider the entry of Herod and horrid actions he inflicted on male children in Bethlehem and the flight of Jesus and his family to Egypt. This exploration will continue through to the exchanges between John the Baptist and Jesus.

The studies advertised above will be held at the following times:

### Onsite at the church at 10.30am

Tuesday — 29 November
